Vienna – Life Science Hub at the Heart of Europe

LISAvienna – Connecting Life Sciences

LISAvienna is a joint **life science platform** operated by austria wirtschaftsservice and the Vienna Business Agency. On behalf of the Austrian Federal Ministry for Digital and Economic Affairs and the City of Vienna, it contributes to the advancement of life sciences in Vienna.

LISAvienna supports **innovative biotech, pharmaceutical and medical technology companies** in Vienna that develop and market new products, services and processes. The platform links these companies with development partners and key customers.

As a **central knowledge carrier**, LISAvienna provides input for decisions to advance the life sciences in Vienna and contributes to positioning the city of Vienna as one of the leading European innovation centers.

Life Sciences in Vienna at a Glance

- 554 organizations
- 37,595 employees
- 12.2 billion euros revenues
- 3,725 graduates
- 4,602 publications

Vienna offers an ideal environment for the development of novel ideas and technologies into thriving businesses. We invite you to profit from leading global life science companies, successful start-ups, world-renowned academic institutions, and top-class hospitals when starting-up in Vienna. Tailored funding and support opportunities are available to make your visions come true!
