LISVienna – Connecting Life Sciences

LISVienna is the **cluster platform for life sciences** in Vienna, which was set up at the interface of Austria Wirtschaftsservice and the Vienna Business Agency. On behalf of the Austrian Federal Ministry of Labour and Economy and the City of Vienna, it contributes to the further development of the industry.

LISVienna supports **innovative companies** in the fields of **biotechnology, pharmaceuticals, medical products and digital health** that develop new products, services and processes in Vienna and bring them to market internationally. The platform connects these companies with development partners and lead customers.

As a **thought leader**, LISVienna provides a basis for decision-making to strengthen the life sciences in Vienna and helps to position Vienna as one of Europe's leading innovation centers.
