LISAvienna Business Treff: Life science funding opportunities

© www.kursalonwien.at

Join our ViennaUP'22 evening event on life science funding opportunities that facilitate bringing ideas to market. Learn more about funding programs available at Austria Wirtschaftsservice (aws) – the promotional bank of the Austrian federal government – as well as at the Austrian Research Promotion Agency (FFG) and at the Vienna Business Agency. Meet funding experts and get individual advice. We have also invited Austria's dedicated biotechnology industry association Biotech Austria and the new EIT Health Regional Innovation Hub in Austria to give presentations.

Don't miss this great opportunity to grow your life science network in Vienna!

We are looking forward to meeting you in person in May.

About the organizers

LISAvienna

LISAvienna is a joint life science platform operated by [Austria Wirtschaftsservice](#) and the [Vienna Business Agency](#). On behalf of the [Austrian Federal Ministry for Digital and Economic Affairs](#) and the [City of Vienna](#), it contributes to the advancement of life sciences in Vienna. LISAvienna supports innovative biotech, pharmaceutical, medical device and digital health companies in Vienna that develop and market new products, services and processes. The platform links these companies with development partners and key customers. As a central knowledge carrier, LISAvienna provides input for decisions to advance the life sciences in Vienna and contributes to positioning the city of Vienna as one of the leading European innovation centers.
