Invest attracted by Start-ups/Scale-ups (€m)

Introduction

White spot on the map

From Austrian membership to
EIT Health leadership

Opportunities for start-ups

Outlook

Funded by the
European Union

„HealthTech Networking“ mit dem europäischen Innovations- und Technologieinstitut Health (EIT Health)

Informationsveranstaltung zum EIT Health und den Anknüpfungspunkten für österreichische ForscherInnen und Unternehmen

 **11.12.2018, 14:30 - 18:00**

 **Wirtschaftskammer Österreich, Wien**
1040 Wien, Wiedner Hauptstraße 63

White spot on the map

- **3 years earlier** visit by EIT Health German branch to introduce the network, partner, goals – and lack of Austrian partners since 2016
- **Critical mass: largest innovation EU network** with partners reflecting healthcare diversity
- **Sharing resources** across borders to collaborate
- **Own governance**, partner-driven engagement
- Drive to **develop existing prototypes** into products
- **No calls, but bottom-up** from idea to impact
- **Invitation to pick up the ball** and make the next step: a cluster of Austrian partners
- Happend to be in the room on that day... it went **from Interest to action to ownership**

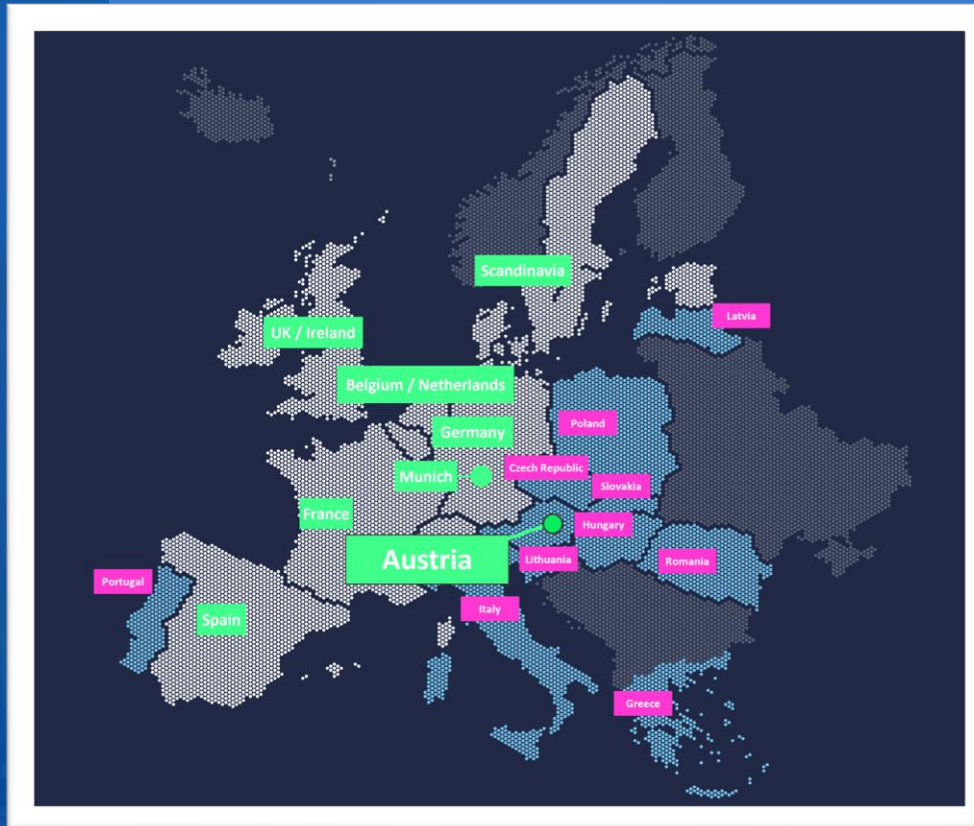

EIT and EIT Health

- **Access** » PPP operating EU's largest cross-border innovation network spanning entire health care landscape
- **Ability** » close collaboration with health care innovators to translate frontier research faster to business
- **Focus** » available proof-of-principle technologies business plan, go-to-market strategy and exploitation partner
- **Knowledge triangle** » integration of three pillars: business, research, education under one roof

EIT Health Hubs in your region

EIT Health supports cross-border collaboration, movement of knowhow, business and people – talents, entrepreneurs, professionals

- Regionally anchored hubs managed by partners
- Focus on regional system
- Each hub embedded in innovation ecosystem
- Other hubs in San Francisco, Tel Aviv, coming up London, China, Africa
- Headquarter in Munich
- EIT HQ in Budapest

From Austrian Membership to Leadership

- **Start in 2020** with 6 Austrian partners regionally structured with EIT Health Germany for DACH region
- **Membership:** access to partners, projects, programmes, support, Investors & Coaching – VC und Business Angel networks, Venture Center of Excellence with EIF, Crowdfunding platform in medical supply sector, Mentoring/Coaching network, EU initiatives

- **EIT Health Austria: Leadership** in multi-stakeholder network to create first new hub since 2016.
 - Engagement strategy
Clarity on needs and incentives
 - Stakeholders strategy
Winning coalition in partner network
 - Growth strategy
Austrian partner cluster

EIT Health Weekly Update

Partner Assembly approves Austrian RIH, new Supervisory Board Members

Creation of an Austrian Regional Innovation Hub, appointments of new Supervisory Board members and the Business Plan 2022 were among the items approved when the EIT Health Partner Assembly held an online meeting on 9 September 2021. [\[Read More\]](#)
